Lisa Kodl gave a May 11, 2014 Amgen Cycling Tour update. The start is in Sacramento and cyclists will go through Auburn on their way to Highway 49. Sprint will start in front of Victory Velo on Lincoln Way and cyclists will proceed up the hill. ECC will meet at 7 am and will use stencils to spray paint "Auburn Endurance Capital of the World" on the street. Harvey will contact Bernie at Public Works to get stencils, paint and some city assistance. Cynci has one large banner to hang. Lisa will check on other one.

Trail Usage & Safety Plan Subcommittee Meeting

- Harvey reported:
- Linda Glazier let folks know she would be unable to attend. Janet was a no show without prior notice.
- 3 types of goals discussed: long term, medium term, short term
- Long term goals include building new trails, possibly a new bridge across the Middle Fork of the American River so mtn. bikers can ride from Auburn to Cool and back without interfering with other user groups.
- Three proposals are to be worked on – one by cyclists, one by equestrians and one by runner/hikers - to be presented at the next meeting (April 15).
- Discussion of Lisa's trail data project (excel file with current trails names and length)
- John Mackey suggested creating an interactive trail map: click on a section of trail and it becomes highlighted with a box that has its name, elevation profile, description, distance, etc.

Challenge/Work Plan/Logo Wear/Placer Co. Visitors Center

- Endurance Challenge Club 100 – discussion about awards – ribbons? Cynci to check on pricing.
- 2014-2015 Work Plan item: \$3,000 for several endurance capital logo wear items
- ECC needs to use the 2013-2014 Work Plan \$1500 allotted to logo wear. Decided on brushed twill baseball-style hats with velcro back closure for one-size-fits all. Cynci to develop a logo using portions of the ECC logo, check on pricing and ordering. Hope to have these ready for the May City Council meeting.
- Delver surplus "Auburn Style" postcards to Placer Co. Visitors Center.
